

# Appendix C: Family Relationships & Addresses

Data is Entered

**SLATE**  
K1, K2, K3  
addresses are  
pushed from Slate  
for Yale College  
ONLY.

**SLATE**  
Relevant  
relationships are  
pushed from Slate  
for all student  
populations

**SSB**  
Emergency addresses are  
entered by students during  
Term Data Update. They  
must add "Self" - no other  
relationships are required

Data is Stored

Relationship Code  
Etc.

Data is Updated

**SSB  
(Family Contacts)**  
YC students may update or  
insert K1, K2, K3 addresses in  
self-service, but it is NOT part  
of Term Data Update.

**SSB  
(Emergency Contacts)**  
All students may update or  
insert emergency addresses  
(required to add a  
relationship code)
